AMERICA THE BEAUTIFUL

O beautiful for spacious skies,
For amber waves of grain,
For purple mountain majesties
Above the fruited plain!
America! America!
God shed His grace on thee
And crown thy good with brotherhood
From sea to shining sea!

—Katharine Lee Bates

AN AUTUMN SONG

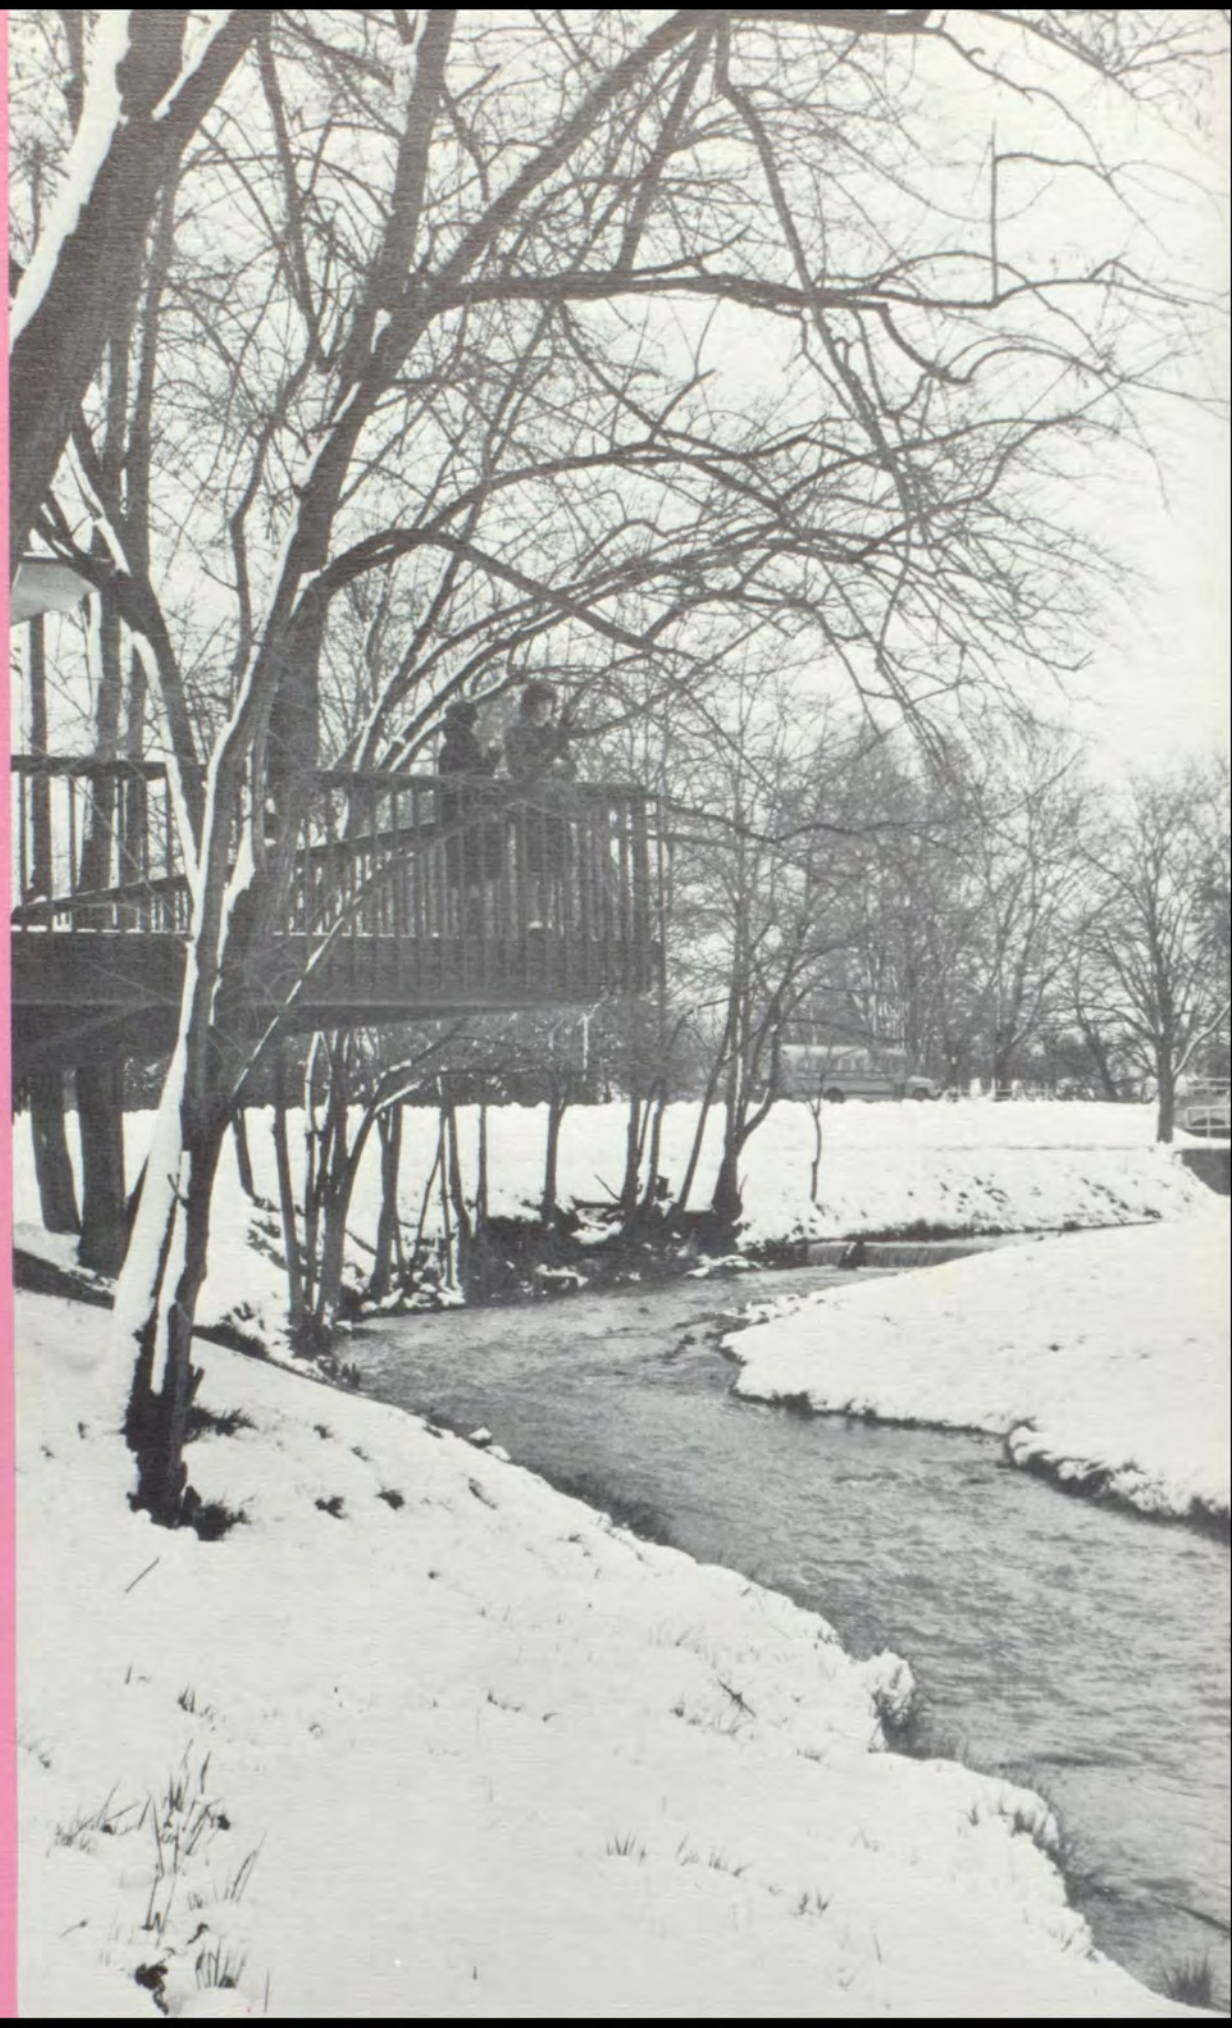

There is something in the Autumn that is native to my blood,
Touch of manner, hint of mood;
And my heart is like a rhyme,
With the yellow and the purple and the crimson
keeping time.

The scarlet of the maples can shake me like a cry
Of bugles going by.
And my lonely spirit thrills
To see the frosty asters like smoke upon the hills.

There is something in October sets the gypsy blood astir;
We must follow her,
When from every hill aflame,
She calls and calls each vagabond by name.

—Bliss Carman

THE SNOW MAN

One must have a mind of winter
To regard the frost and the boughs
Of the pine-trees crusted with snow;

And have been cold a long time
To behold the junipers shagged with ice,
The spruces rough in the distant glitter

Of the January sun; and not to think
Of any misery in the sound of the wind,
In the sound of a few leaves,

Which is the sound of the land
Full of the same wind
That is blowing in the same bare place

For the listener, who listens in the snow,
And, nothing himself, beholds
Nothing that is not there and the nothing that is.

—Wallace Stevens

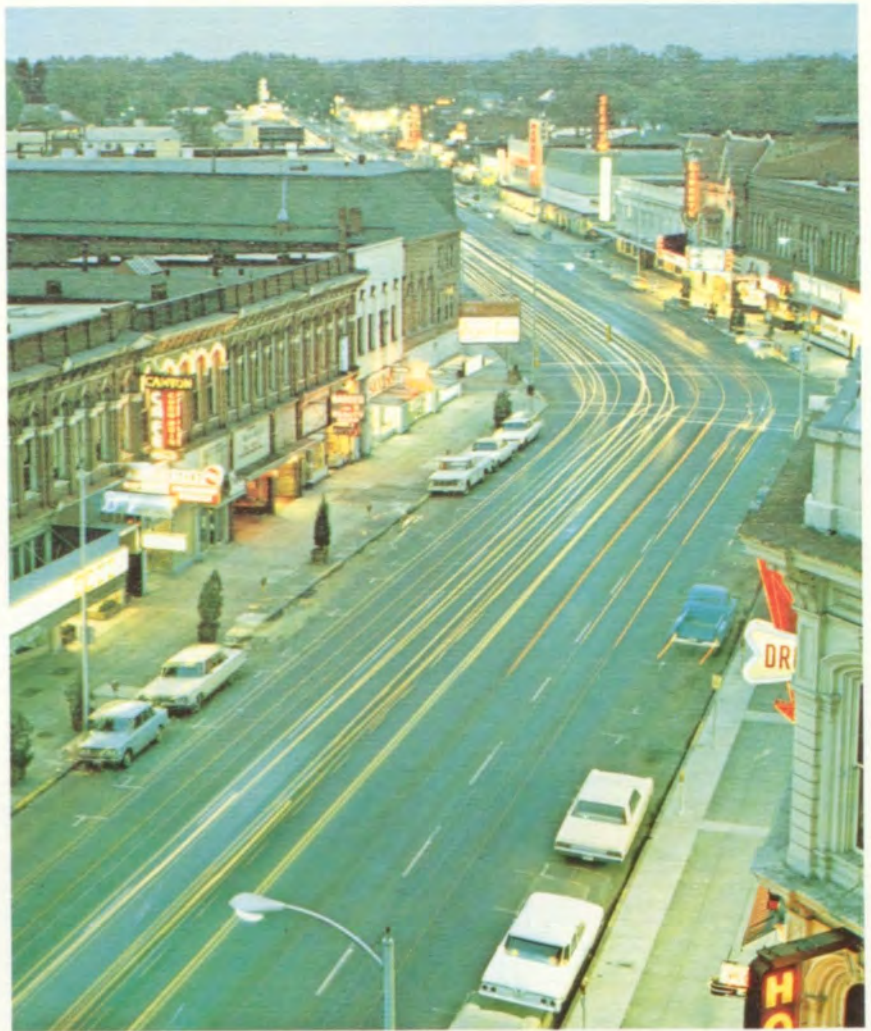

SUNSET

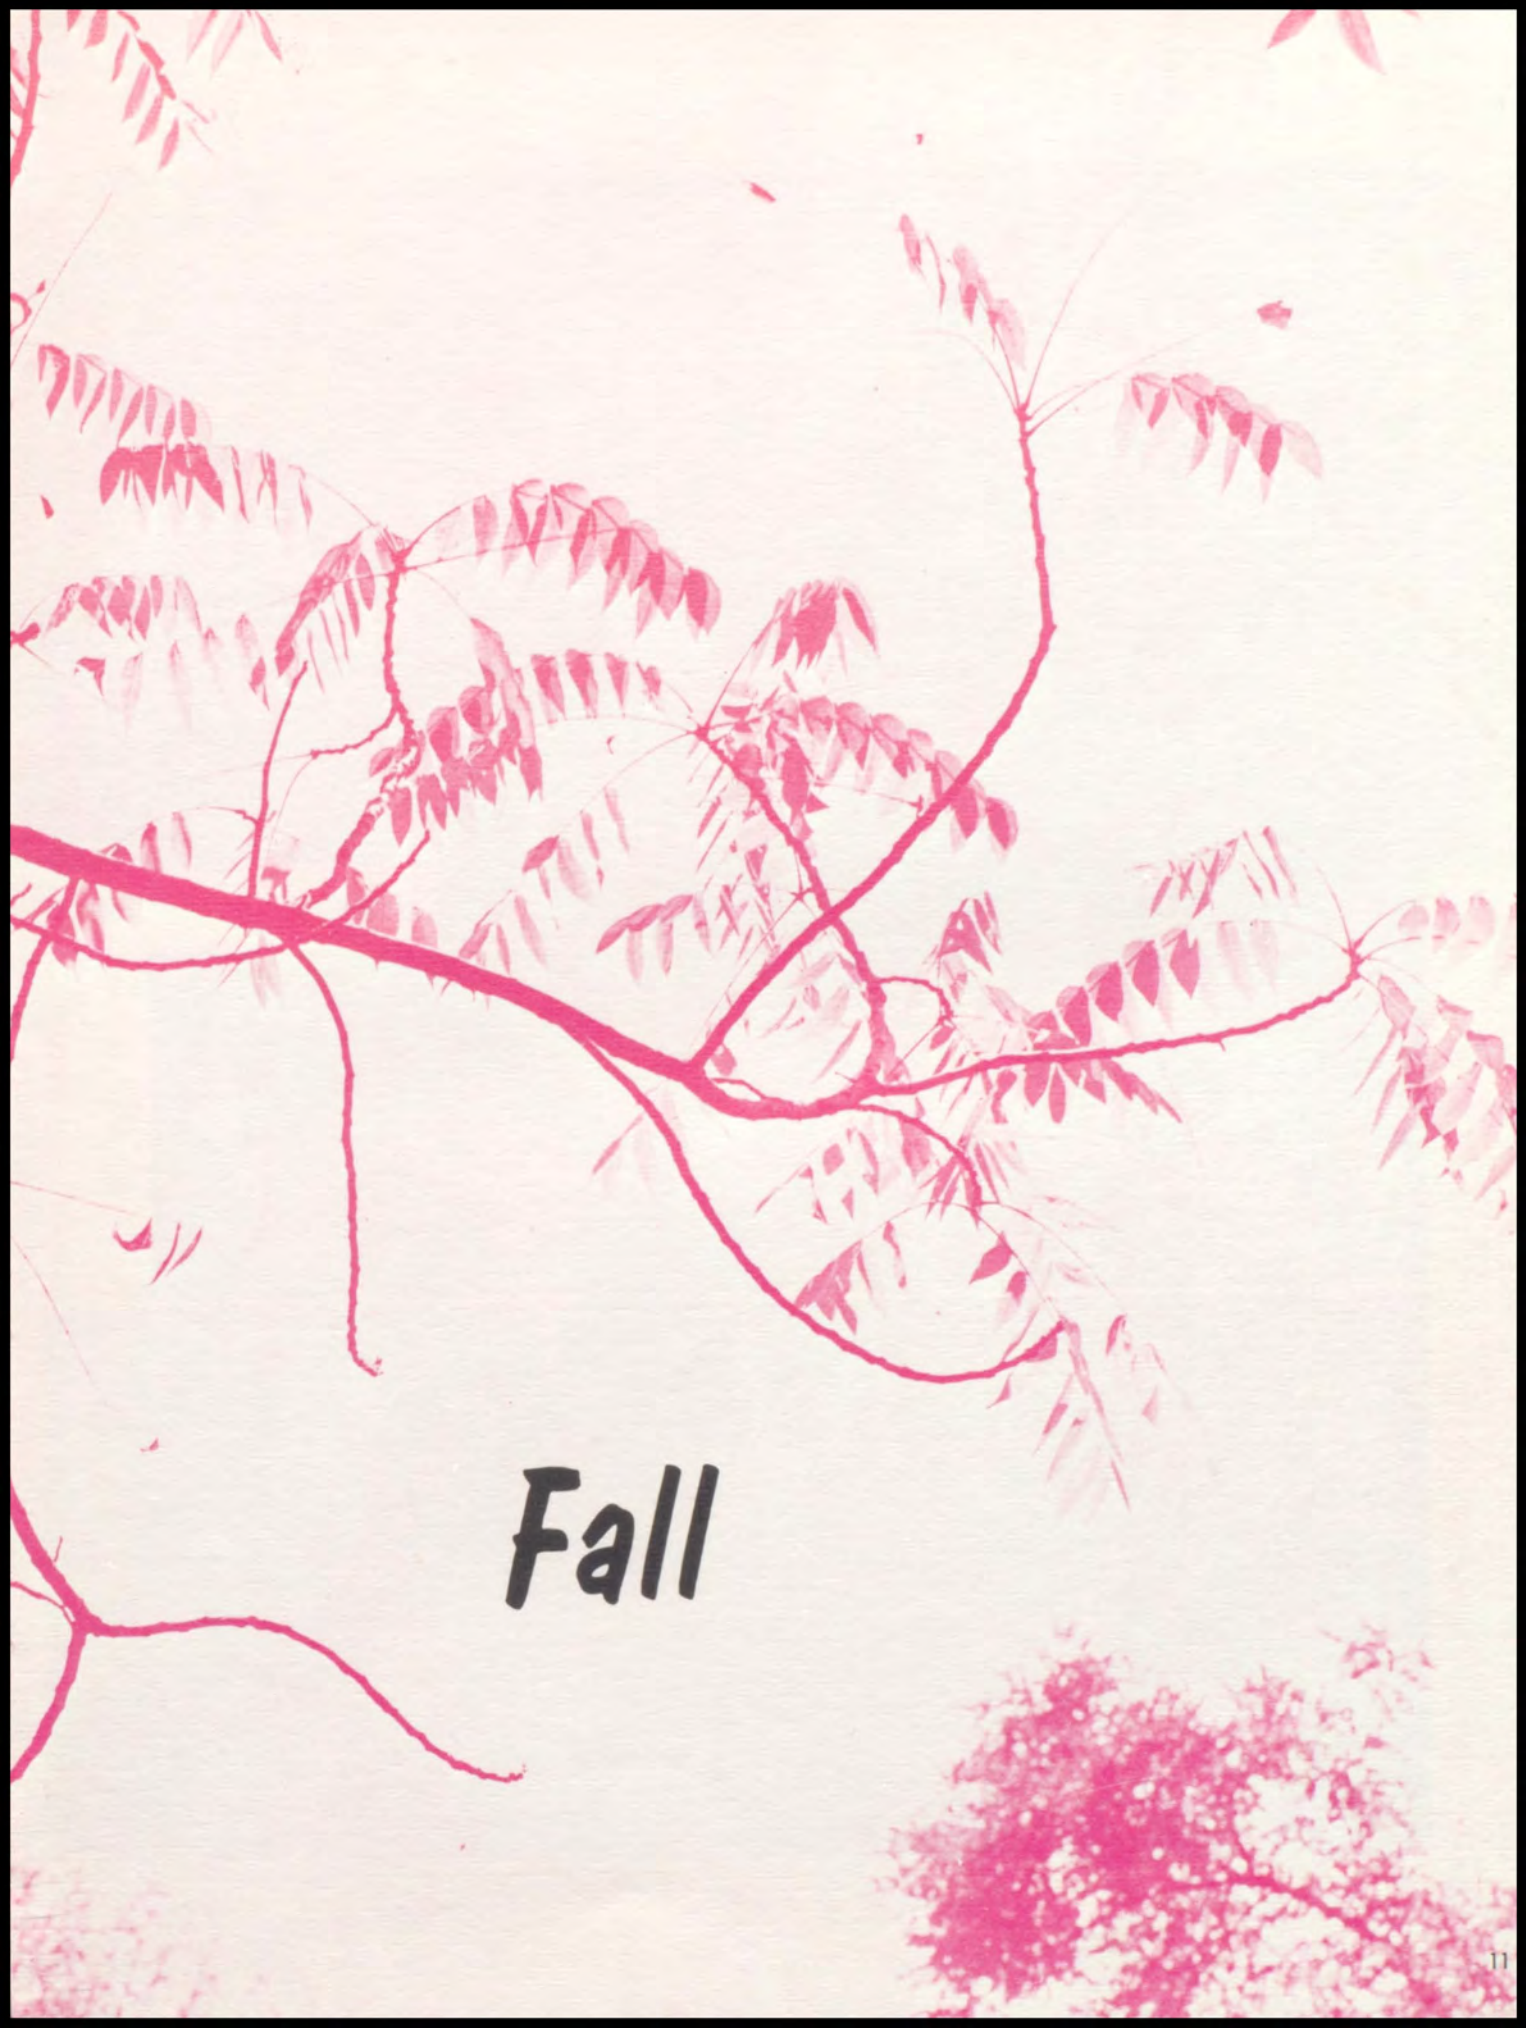

Where ships of purple gently toss
On seas of daffodil,
Fantastic sailors mingle,
And then — the wharf is still.
—Emily Dickinson

FRAGMENT

Flower in the crannied wall,
I pluck you out of the crannies,
I hold you here, root and all,
in my hand,
Little flower — but if I could
understand
What you are, root and all, and
all in all,
I should know what God and man is.

RANDY McDOUGALL

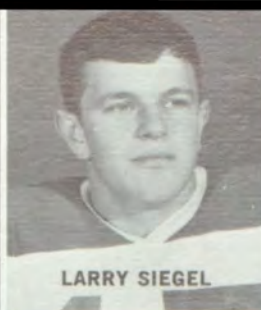

A good team is made up of dedicated players — players whose desire to win forces them to forfeit pleasures that the non-participant enjoys. The members of the Wa-Hi football team began turnouts August 23rd with temperatures sometimes above 90 degrees. It's no fun to run and tackle in that much heat, but Wa-Hi players persevere, trying to put their bodies in good physical shape.

When school begins, there are four practices a week, three after school and a fourth Thursday evening. The Wa-Hi player is required to be on the practice field by three o'clock. That's not much time to go to ones locker, return to the locker room, and dress into his bulky football uniform. But the Wa-Hi player knows that his promptness to practice is mandatory and that the discipline imposed upon him is a chief ingredient to winning games. Wa-Hi football players do work hard and do give up a great deal for one goal shared by them all . . . to win games for Walla Walla High School.

B-Squad

The Wa-Hi B Squad enjoyed a successful season. With a 5-1-1 record, the JV team captured the mythical B squad title between Wa-Hi and Tri-City teams. Both the offense and the defense developed into strong teams after the third game of the season. The defense allowed only 18 points in the final four games while the offense scored 101. The B squad scored well both on the ground and in the air. Dave Fredrickson accounted for the passing while Tim Waite, Lonny Lightfoot, and Jack Davis provided the power on the ground. One of their biggest assets was the ability to play as a unit both offensively and defensively.

The Blue Devils started the season right with Randy McDougall, Mike Murr, and Jim McIntosh lancing through the Kennewick Lions' defense and racking up a 29 to 0 score. The Big Blue then leveled its sights on the Richland Bombers and blasted them off the field with a 23 to 14 victory. Steve Arland was hot on the offense; Ward Sandberg held the line on the defense. Eisenhower fell before a similar onslaught with a final score of 7 to 0. McDougall scored the only touchdown of the game and the Cadets' offense was stymied by Scott Brotherton on one side and Hugh McEachen on the other. The first half of the Davis game looked bad for the Devils, who were behind 14 to 6. Determined not to break their winning streak, the Devils got in gear and smashed the Pirates 33 to 14. During the second half, Jerry Ledford won the battle for a Davis fumble, and the Blue charged in

for six points. After that, the Davis defense crumbled before an offense led by Murr. Their offense was almost completely halted by our defensive line led by Tow McOmer and Dirk Jansen. Then the Blues ran head on into a brick wall called the Wenatchee Panthers at our homecoming. Eric Johnson scored a touchdown after running 14 consecutive plays down 63 yards worth of field. The only other touchdown was scored when Johnson hit Gary Brumback on a short pass. Wenatchee scored three times and made all of their extra points, making the final score 13 to 21. The game with Moses Lake was equally disappointing. Even though Mike Casey made an outstanding showing for the defensive line, the Blue Devils lost 7 to 19. We also drew a 0 to 0 tie with the Pasco Bulldogs in the wettest game of the year.

Nevertheless, Jim Oury broke up some of Pasco's last drives for a score to break the deadlock. Furious from losing two consecutive games and tying another, the Blue Devils ceremoniously stomped Kennewick 38 to 7. After Murr and McDougall put Wa-Hi in the lead, Jerry Ledford intercepted a Lions' pass and ran 33 yards to set up for a touchdown. Mike Eisele later recovered a fumble. Val Hein threw a 35 yard pass to Jeff Buerstatte for another six pointer. The last game of the season was against the Richland Bombers. Again, the Big Blue moved out its heavy artillery and smashed them 26 to 0. Jerry Gaddy did a great job on offense, and Dave Case caught a good pass that set Wa-Hi up on top. This put the Blue Devils in an undisputed second place in the Big Eight Conference.

Ball exercises bring about good timing and rhythm.

Girls' Sports

This year's Girls' Sports started off with many matches of tennis and badminton. Next on the agenda was speed-a-way followed by a large number of girls turning out for volleyball. Volleyball and basketball Sports days were held at the Tri-Cities with about eight schools attending. Gymnastics also brought out a large number of girls this year for a very successful season. In the spring, there was much activity for the girls with all kinds of track and field events.

The girls enjoy Speed-a-way, which is a fast moving, outdoor game.

Carol Gibbs demonstrates a good knee scale on the balance beam.

Becky Mitchell does a graceful, but difficult form of the splits with apparent ease.

Vickie Brewer checks her drive past Betty Young. Good control of the ball and good defense can make or break a team.

Spotted by Mrs. Smith, Linda Rhode does a straddle hold on the sixteen foot long balance beam. Besides the balance beam, the girls worked on the uneven parallel bars, the vaulting horse, the trampoline, and mat tumbling.

Debbie Pringle works on her free throws during one of the afternoon practice sessions.

Wa-Hi's cross country team had its best season on record, losing only to Richland during the regular season and defeating Richland when it counted in the district championships. Running without last year's star, Jack York, who was out most of the season with a bad injury, the team rallied as Willie Hernandez took over the role of leader. Willie ran extremely well all season and was followed by Lynn Hoggan and Jerry Rea, who battled for the number two spot. Sophomore Kelly Stecker did a fine job in his first year of cross country holding down the 4th position all season. Steve Paul added depth to the scorers. John Dietrich and John Cortinas rounded out the seven man team. Sophomore Wayne Frank came on strong late in the season and displaced Cortinas for a spot on the district championship team.

Boys' Federation, a combined total of the male population of Walla Walla High School, has been the source of many projects and school campaigns. Among their better known projects are the annual car smash, car safety drive and the auto rally.

The entire federation meets once each month for federation assemblies. Here, every member has the opportunity to voice his opinion or ask questions of guest speakers. This year some of the guest speakers have included Odd Bjerke, Ward Sandburg, Jr., and Claude Haggard. Boys' Federation has also worked constantly to build school spirit.

The Girls' League involves all the girls at Wa-Hi, and because it literally does just this, it has become the "richest" organization here at Wa-Hi, boasting a treasury of some \$2,500 to \$3,000.

The Girls' League annually sponsors the Sophomore Orientation Tea and the following week the Welcome Frolic. Each quarter a party is given for transfer students and each semester there is a banquet.

This year, to boost spirit during the Homecoming week, a display contest was held with designs constructed by homerooms in conjunction with the Homecoming theme. During the holiday season of Thanksgiving and Christmas, the Girls' League prepares baskets for community families and also gives warm clothing. For the sports season, the Girls' League sold Pom Poms and Booster Badges as one of two "great" fund raising projects. The Girls' League, with the help of the enthusiastic Minute Girls, sold all-occasion greeting cards.

The biggest Girls' League event of the year is Sadie Hawkins week, which was really celebrated in the traditional Dog-Patch style as this year was Leap Year. A successful Hootenanny was given in the spring and the Girl of the Month Contest again took its place as a Girls' League specialty.

ASB Election Assembly

To the students of Walla Walla High School:

It has been a distinct privilege to serve as president of such a superbly, well rounded student body. Our objective this year was to get more people involved in school centered activities. How successful were we? The answer to this question is best reflected in this outstanding annual.

The students' attitude and enthusiasm have been exceptional. Nothing was approached half-heartedly, and we have had a tremendously successful year to show for it. I would like to think some of this can be attributed to the efforts of student government. To each of you, I wish the best of luck in your chosen future.

Sincerely yours,

Larry Siegel

Student Court and Legislative Assembly

STUDENT COURT: Bruce Bjerke, Senior Justice; Judy Almon, Secretary; Dick Simon, Chief Justice; Bob Anderson, Senior Justice; and Dave Cobb, Junior Justice. **NOT PICTURED:** Cathy Christiansen, Sophomore Justice; Ken Buley, Bailiff.

ASB Cabinet Meeting

Student Court at Wa-Hi was basically the students' way of enforcing the laws and statutes that were enacted by them. In this way the students not only pass laws in order to make things at Wa-Hi run smoothly, but they also have the power, through Student Court, to see that these laws are enforced. It is the duty of the court to determine the guilt or innocence of a person reported to the court for breaking one of the laws at Wa-Hi. If this person is judged

to be guilty by the court, it is the responsibility of the court to give this person a sentence. However, it is not the responsibility of the court to enforce this sentence. The Chief Justice, in addition to performing the duties of a regular justice, must see that all subpoenas are delivered, must plan all court sessions, and must preside over the court sessions.

Traffic Court

TRAFFIC COURT: Craig Johnson, Jerry Gaddy, Keith Myers, Jay Hereford, Denise Alexander, Dean Fondahn, Dick Garner.

Legislative Assembly consists of Representatives from each homeroom with the ASB vice president as presiding officer. Legislative Assembly was concerned with practical issues this year. Among these were the development of a swim team, formation of a Senior Activities' Card, extension of snack bar privileges, and collection of pennies for Vietnam day. Throughout the year the assembly's emphasis has been toward activities which benefit the students and the community.

Traffic Court was made up of five justices this year: chief justice, senior justice, two junior justices, and sophomore justice. Each one of the five had one vote in rendering a verdict. The major duty of the chief justice consists of presiding over all court proceedings, however, this job often entails much more than one might suspect. Another important activity of the chief justice is co-ordinating with other schools who want to set up a judicial system.

SECOND SEMESTER LEGISLATIVE ASSEMBLY—PRESIDING: Dan Flathers. FRONT ROW: Don Hauer, Wayne Petterson, Sandi Wilson, Laurie Struthers, Dave Bynum, Dave Struthers, Paul Demianew, Dave Boyer. The purpose of the Distributive Education Clubs of America is to combine instruction in retailing, management and buying with practical business experience. Some sixty-five students in three Distributive Education Clubs received this training and experience this year.

In the fall, Mr. Light took several students to the DECA Governor's Conference in Olympia where the state DECA officers were elected. In the spring, a number of students attended the State Leadership Conference in Olympia at which time competitions in salesmanship, sales demonstrations and public speaking were held. Other activities included the sale of candy, fruit cakes and pocket calendars to defray the expenses of the annual banquet at which the employers of the students are guests. The three clubs have had an active, rewarding year.

Basketball season officially opened for Wa-Hi on December 1st when the Big Blue played Hermiston and Mac-Hi in a Jamboree. Defeating Hermiston 42-26 and losing to Mac-Hi 26-33, the Devils were really hot and won from Sunnyside 60-56. The following week Hermiston sought revenge and lost 57-45. Sunnyside also found the door to victory locked when they came up on the short end of a 78-57 score. The next game saw Baker using jet power as they streaked past Wa-Hi 53-43. Steve Martin, who controlled the board for rebounds in many games, was especially hot at Hermiston and racked up 24 points for the Devils; the final score Wa-Hi 63, Hermiston 52. The first league game saw Wa-Hi with a 4-1 record pitted against the Wenatchee Panthers. Ward Sandberg played an excellent game, sinking 12 points. After two overtimes, Wa-Hi emerged winner (68-66) of the most exciting game of the year.

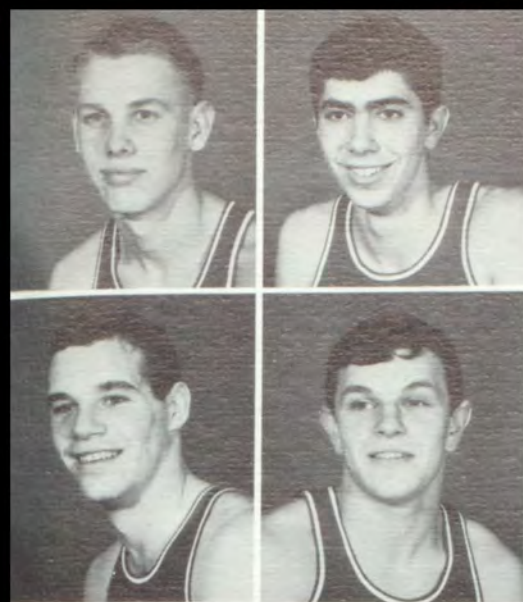

The Devils' first game of the new year brought no new revelations in strategy. Winning over the Bulldogs of Pasco 70-60, the following week they smashed Davis 70-65 with Mike Murr playing an outstanding game, scoring some 22 points of his own. Then the Bombers challenged the Blue Devils and were taken to the cleaners 67-56. Moses Lake was next on the check list. Wa-Hi won its 5th straight victory from the Moses Lake Chiefs 72-50. The next candidate for the Devils' burning fire was the Kennewick Lions, who were barbecued 84-62 with Gary Brumback lighting the fire for 16 of 84 points. Wa-Hi

had a 6-0 winning streak going for them. They beat Eisenhower 64-57. This left the Devils in an undefeated position in the Big Eight Conference.

Pasco and the flu snapped the winning streak with a 50-47 victory. Davis followed with a 74-67 score despite excellent playing by Ron Harris and Ed Crudup. Next came the Richland Bombers who made 94 direct hits to our 68. Larry Siegel sank 6 points and had a key role in many offensive plays. The following week saw the Blue Machine in better working order against Moses Lake. Fifteen points from Dave Case was all that was needed to defeat the Chiefs again 77-67. Traveling to Kennewick, the Devils turned Dennis Dickey loose (14 points) and returned with an 89-79 win. The last two league games against Eisenhower and Wenatchee were a disappointment, the Devils losing both games 52-63 and 61-77.

Going to Richland for District competition, Wa-Hi tangled with the Wapato Wolves and lost in the last 5 seconds. Jerry Jones was on the firing line for the Devils scoring 26 points, many in the last quarter.

Since this year's team had only 3 seniors, it will be about the same next year. With one more year of playing together, the Big Blue should be winners next year if this year's close scores are any indication. Next year, Big Eight, watch out! The Devils are coming.

This season the Wa-Hi grapplers were plagued by injuries which put some out of competition for the rest of the year. Steve Reiber, Randy McDougall, Roger Russell, and Kurt Lindberg were unable to finish the season, but they continued to come and watch the

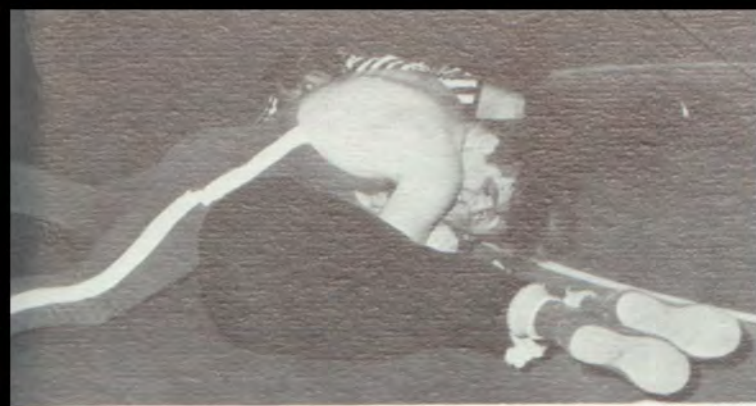

nightly practices. Jack and Greg York battled their way to letters.

Nine of the wrestlers went to Sub-District competition. Dan Huntley, one of the two that Coach Chapman considered the most improved, was injured just before the Sub-District matches. He took a fourth place. Rich Knuth and Jerry Ledford also went to the Sub-District Tournament, but both were injured during their first matches.

Randy Stein and Ron McCauley took fourth places in Sub-District, in spite of illness and injuries the week prior to District. Hugh McEachen also took a fourth, went on to district competition and won fourth place. Kevin Husted placed third in Sub-District and fourth in the District. Greg Scott took second in Sub-District, second in District, and went on to State Competition but failed to place. Ray Williams, the other grappler on the coaches most improved "rating," landed a first in Sub-District, second in District, and a fourth in the State.

The Wa-Hi Ski Club was very successful and quite active in its first year as a school club. The 74 members enjoyed two out of town ski trips, one to Mission Ridge, Washington, and the other to Schweitzer Basin, Idaho. A bottle drive and a cake sale were used as money making projects to help defray expenses of these trips. Several meeting nights were devoted to arousing interest in more and better skiing through group discussions and programs presented by guest speakers. The club also enjoyed several social functions during the year. As a service to their school, members participated in the "voters information drive."

The NATIONAL HONOR SOCIETY is composed of students who have reached high levels of academic and social achievement. The membership is based on four areas of qualification: scholarship, leadership, character, and service. Twice during the year, in the fall and spring, new members are "tapped" into the society during special ceremonies.

The Latin Club had its annual banquet in the spring, commemorating an historical event and social occasion of ancient Rome. Various sweet sales helped to finance this event. Roman dress was required; the menu was Roman; eating arrangements were Roman. Guests from other schools, faculty and friends participated. For the first time, the Junior Classical League convened in Eastern Washington at Eisenhower High School. Many Latin Students attended. Any member of a Latin class may compete for membership in the Latin National Honor Society by maintaining three consecutive quarters of better than B work. Those who qualify receive certificates written in Latin with their name inscribed by hand in Roman lettering.

Quill and Scroll

The W. A. Lacey Chapter of Quill and Scroll, an international honorary society for high school journalists, was founded in 1926 and is a charter member of the organization. Its purpose is to promote an active interest in the field of journalism on the high school level.

During the year, the members make a significant contribution in the publication of the "Royal Blue" and the "Wa-Hi Journal." They sponsor the annual publications banquet and publish the literary issue of the Journal as well as holding the annual current events test, part of the organization's national activities.

Gamma Sigma Chi was the new in-school service club this year sponsored by the Y.W.C.A. The purpose of this organization is service. Under the advisership of Mrs. Jane Morris and Mrs. JoLynn McBee, the group helped with such things as passing out brochures for the proposed juvenile detention center, polishing the trophies in the trophy case in the gym and passing out information concerning the special

school levy and bond issue. Caroling at Christmas and the initiation of new members was fun. Membership is open twice during the school year at the beginning of the first and the third quarters. Any girl with a G.P.A. of 2.0 or over is welcome to join. When the group becomes better established, it plans to expand its activities.

National Merit Scholars

The National Merit Scholarship Program is a testing program that concentrates on the performance of the individual student. Walla Walla High School had ten students who received letters of commendation, honoring them for placing in the upper two per cent of those graduating in 1968—Robert Anderson, Bruce Bjerke, Dean Fondahn, Jay Hereford, Melvin Hickman, Jill Largent and Larry Roberts. Also included were the three finalists who will receive scholarships to the schools of their choice: Karen Glover plans to teach; Jim Parmelee has chosen a career in music; Marlow Anderson is looking forward to a career in electrical engineering.

The Parliamentary Procedure Team which placed fourth consisted of Brian Harrigan, Joe Small, Rich Taylor, Bruce Scott, Dick Busch and Lowden Borgens.

The FFA basketball team, comprised of Joe Small, Phil Wasser, Steve Plucker, Mike Bergevin, Kirk Baumann, John Biagi, Ken Thompson, Forrest McIntosh and Tim Daniel, has won three of its five games.

Richard Taylor, David Buttice, Ken Maiden, Dick Busch, Bruce Scott and Scott Smith made up the Livestock Judging Team which won four banners.

The Wa-Hi chapter of FFA, awarded the rating of second best chapter in the state and the national bronze award, was one of two chapters from Washington to receive a national award. With seven members applying for the state farmer degree and one boy, Larry Young, selected for the American Farmer award, the local chapter has been very active. New for this year is the crops judging team.

The boys had the opportunity to serve on many committees. Phil Wasser, chairman of the national and cooperative activities was in charge of cooperation with the national and state associations, national FFA week, sending of delegates to the national convention, honoring the American farmers as well as helping with the local cooperative efforts such as the feed or the machine cooperatives and the school farm. The community service committee, Bruce Scott chairman, was responsible for participation in the Southeastern Washington Fair and other community projects such as treating livestock, use of machinery and soil testing equipment. The earnings and savings committee, Joe Small chairman, looked after money making activities such as the turkey raffle, candy sale, frolic, operation of the pop machine and the scrap metal drive. Bill Herndon, who was chairman of the supervised farming committee was responsible for improving the school farm, student projects, soil conservation, classes on fitting and showing animals and attendance at livestock shows and sales. The dance, basketball team, FFA banquet and sweetheart contest were the responsibility of Don Roberts. David Buttice's task was the public relations committee, primarily concerned with putting up welcome signs for people coming into the city and inviting guests to the parent-son banquet. Lowden Borgens had under his direction the conduct of the meetings which included a meeting per month, putting on the Greenhand and Chapter Farmer degrees, the parent-son banquet and the election of the new officers.

In the camera back, Ben Holley preferred the darkroom work while Tom Greethurst, Joel Hanson and Manual Mendoza specialized in photography and assisted in taking many pictures for the annual.

BELOW LEFT: Sandi Wilson, Donna Smith and Annette Hendrickson shared the responsibility for several pages including those of the junior class. CENTER: Roberta Bradsley, who engineered among others the faculty and choir pages, Miss Gray, advisor, and Lee Hazeltine, index editor, check on the index pages.

Larry Mitchell worked on the club pages.

Julia Meyer, a co-editor and photographer, was responsible for the opening and senior sections. Julia won an award in the National Scholastic Photo Contest.

Co-editor Steve Johnson was business manager and assisted with numerous pages.

ABOVE: Rita Wilson, Cynthia Hendrickson and Linda Wilson joined the staff at mid-year and assisted with several club pages. NOT PICTURED: Roger Gallagher. BELOW: Sophomores, John Gallagher and Mike Buettner, composed the sophomore pages and were interested in both layout and photography.

Royal Blue

This year's sales sign introduced the enthusiasm and innovations shown by the 1968 ROYAL BLUE staff. Jake Craig installs a letter of the sign while Jodie Leone, this year's art editor, looks on. Sandi Wilson also proved she was not afraid of a ladder.

BELOW: In the sports division, Gary Sharpe, Jodie Leone and Jake Craig confer with Coach Drew. Gary used his photographic ability and literary talent in this section; Jodie designed and edited the major sports pages while Jake took the sports new to Wa-Hi—swim team and ski club—and developed an interest in creative photography.

Co-editors, Mel Hickman and Tim Campbell, check layouts for the next issue.

Journal

Journal staff provides laboratory experience for the application of those skills learned in journalism theory class, a prerequisite for the staff. These journal staffers work on page makeup, pasting photos, printing headlines, reporting the news, and writing feature and editorial stories.

The paper is readied for publication by making a camera-ready layout page which is photographed by the printer and printed. This publication comes out bi-weekly and is supervised by Mr. Dale Nesbitt.

LEFT—PAGE EDITORS: Judy Sine, feature editor; Larry Roberts, Cindy Coyle, and Christy Smith review their layouts.

ABOVE RIGHT: In the photography division, Frank Hansche confers with Mike Brough, photography editor. NOT PICTURED: Rich Beatty. RIGHT: Dan Flathers, business manager, looks on as Mike Maiden, advertising manager, draws his caricatures for the next deadline.

LEFT: Steve Hillis, sports editor, and Kim Crumpacker, exchange editor, confer on sports inquiry from another school.

LEFT: Dianna Dahl, Doug Damarell, Kim Crumpacker, Ron Gawith, Guy Cook, reporters are getting instructions for the next issue from advisor, Mr. Dale Nesbitt. NOT PICTURED: Lynn Cheatham, Christy Dunkelburg, Diane Taylor, Ron Swenson, Mike Paul.

RIGHT: Mr. Dale Nesbitt, advisor, and Lois Brooks, typist, check a tape on the Justewriter.

Sadie Hawkins

"Moon Over Mudville."

Sandi Wilson and Kathy Prine pose for Kiddies' Day.

Sam Schluter and Tina Marks wonder what to do with it now that they have it.

Brooke Copeland: Miss Gullible, Greg Scott: Mr. Irresistible, Dan Huntley: Miss-ter Wa-Hi.

Sadie Hawkins Week was taken over by childish realism. Wednesday, Kiddies' Day, sported all manner of tiny tots on campus. Friday was Grubby Day in all its hillbilly glory. During the noon hours, pickles, olives, and licorice were sold to eager buyers.

The Sadie Hawkins assembly covered various activities from a skit featuring Super Chicken to the crowning of Dan Huntly as Miss-ter Wa-Hi and a dance by Cynthia Crudup. The annual Sadie Hawkins dance, "Moon Over Mudville," was held March 8th to the Band-Aid Society's stompin' good music. Marryin' Sam was there to marry up eager young lads and lasses.

Greg Bossini, Mary Beth Hartzheim, Paul Eagon, Dave Hartzheim, Carol Spanish, Susie Hamburg, and Loren VanBuskirk peddle luscious pickles and olives during the lunch hours.

Walla Walla High School students had the opportunity this year of attending "Twelfth Night," produced by a professional actors' group in the Harper Joy Theater and of hearing again the Seattle Symphony Orchestra.

After several years of outstanding service to Walla Walla High School and its choir, Mr. George White made his final public appearance as director of the choir at the Christmas concert, December 17th, in the Lacey Auditorium. To show their appreciation, the choir presented their departing director with a gold watch. It was evident that Mr. White was thrilled to receive and that the choir was proud to give.

MR. GEORGE WHITE

Mr. White left the choir in the capable hands of Mr. Richard Clark. He, along with Miss Molly McNamara, who was responsible for starting the ensemble, had worked with the choir several times before Mr. White left. Mr. Clark's impression of his new charges was, "I think they are a really good high school choir."

Wa-Hi's orchestra enjoyed a productive year. The first concert presented was with the choir October 24th in the Commons. The Christmas season found the orchestra making a trip to the Marcus Whitman Hotel to perform with the choir where they provided their own numbers and accompanied the choir. On December 17th, the Christmas Concert, "Hear The Joyful News," was presented. The orchestra played a fine program including the old favorite "Sleigh Bells." At the Christmas assembly, the orchestra presented much of the same program.

The Wa-Hi Orchestra

For the March 12th concert, the orchestra provided accompaniment for the choir's Latin number, "Regina Coeli." The group then traveled to Wapato for the district contest March 30th. They worked hard for this event and their work paid off. The April spring concert and the all-city orchestra concert concluded the year's orchestra activities.

In the first meet of the season, the Richland Bombers dealt Wa-Hi a 92-44 loss. Willie Hernandez, Jack York, and Rich Saxon were the individual winners for Wa-Hi with the other first place by the mile relay team composed of Steve Paul, Dick Siddon, Jeff Barnett, and Dale Fuller. Next, the Kennewick thinclads defeated the Blue Devils 74-62. Rich Saxon was a double winner in the 100 and 220. Fuller and Gary Wasemiller were Wa-Hi's other individual winners in the 440 and 180 low hurdles. Jerry Rea led the mile, Hernandez the 2 mile while Walt Terry, Siddon, Jim Oury, and Barnett gave the Devils a triumph in the mile relay.

On April 5th, Wa-Hi's 46 $\frac{1}{3}$ points won the Mac-Hi Carnival of Speed. Wa-Hi won the pole vault 1-2 with Dana LeValley 1st and also was 1-2 in the 2 mile. Pendleton won a 71-65 verdict which was settled only by the end of the mile relay, nosing Wa-Hi out of 1st place. Mark Grudzinski topped the long jump, Fuller the 440, Rea the 880, Hernandez the mile, York the 2 mile, and Jerry Gaddy the shot. Wa-Hi's LeValley, Dan Huntley, and Dave Stewart swept the pole vault 1-2-3. At the Pasco Invitational in a field of 16, Wa-Hi spikers came in 8th. In the medley, 440, and mile relays, the Devils garnered thirds. Outscoring Pasco for second in a quadrangular meet, the Blue Devils' individual winners were Fuller in the 440 and Kelly Stecker, who nosed out Lynn Hoggan by .2 sec., in the mile. Bob Dockter placed 4th in the javelin.

In the Wa-Hi Relays, the team finished a strong second behind Richland. The mile relay team of Siddon, Wasemiller, Barnett, and Fuller set a meet record as did the 2 mile relay team consisting of Scott Mohrland, Mark Jungman, Walt Terry, and Dan Dunn. Wa-Hi was also first in the long jump relay and in the mile team run. On April 23rd Pasco took a close 69-67 decision over Wa-Hi.

At Richland, Wa-Hi's mile relay team of Barnett, Wasemiller, Siddon, and Fuller clocked the second fastest mile in the state at 3:29.5 for first place. The other first place came from the 4 mile relay team of Rea, K. Stecker, Hoggan, and Hernandez establishing a meet record of 18:35.5. The distance medley of Terry, John Dietrich, Mohrland, and York finished second.

Wa-Hi earned 17 berths for the sub-district at Pasco. Hernandez turned in his best 2 mile for a second place followed by York in third place. Ron Harris was edged out of first in the 220. Then at the sub-district in Pasco, Wa-Hi garnered 8 district berths and came in fifth. Harris in the 220 had his best time for the season. Rea, Hoggan, LeValley, Hernandez, York, K. Stecker, Barnett, Fuller, Mohrland, Wasemiller, and Siddon qualified for district. At Moses Lake, Wa-Hi came in fourth with Hernandez second in the 2 mile and the mile relay team of Barnett, Siddon, Wasemiller, and Fuller first. At state in Pullman, the mile relay team set a new school record of 3:22.8 which was good for fifth place in the state (.6 sec. behind third and .4 sec. behind 4th).

Big 8 Baseball Champs

The Walla Walla High School baseball team completed the season with a record of 23-3-1 and a conference record of 13-1 with Moses Lake handing the Devils their only league loss. This is the best baseball record in modern Wa-Hi history. It took a pair of victories 5-4 and 3-1 over Richland on the last day of the season to clinch the title.

Four Blue Devils—pitchers Mike Hansen with an 8-1 record and a brilliant 0.82 earned-run-average and Steve Martin with a 7-0 record and a sparkling 0.42 ERA, second baseman Dennis Dickey and outfielder Mike Murr were named on the all-conference first team. Dickey was the best defensive second baseman in the league and a clutch hitter for WA-Hi. Murr was the Devil's leading hitter with a .398 average. Named to the conference second team were catcher Steve Arland, third baseman Gary Brumback and outfielder Randy McDougall.

In conference play, Wa-Hi opened against Eisenhower. Brumback got 4 hits, two of them homers, for 6 trips to the plate and drove in 10 runs. They then traveled to Yakima, battering Davis in a doubleheader. Wa-Hi became sole leaders in the Big 8 race by setting Wenatchee back two. After splitting a doubleheader with Moses Lake, the Blues swept Pasco in a twinbill that saw Hansen

hurl a 3 hit shutout and drive in 4 of the 12 runs. Next, at Kennewick, Wa-Hi clinched at least a tie by sweeping both games even though the second went 11 innings. Wa-Hi had to come from behind twice before settling the final series with Richland.

Wa-Hi has won the Big 8 title 2 consecutive years. Prospects for next year are good with 5 starters returning and an excellent JV team coming up.
